United States	www.multiplesystematrophy.org/category/blog	<p>The MSA Coalition blog containing a range of discussion topics.</p>

* Facebook pages that are for closed members will require you to be invited to join them. They typically have a 'request to join' option. They are closed so you can be sure that your discussions remain just for the members of the group and cannot be seen by people outside the group. The MSA Trust cannot be held responsible for information or advice gained through the above external links and we do not endorse any of the organisations or groups listed.
