SO...HOW DOES IT WORK?

For over 27 years, Skyline Skydiving have been the UK's leading charity events organisers - with over 3000 amazing charities to choose from and (so far!) 200,000 successful and happy jumpers.

I WANT TO JUMP FOR CHARITY

If the charity closest to your heart is listed on our website (you can find these on our website under 'Charity Jumps') then all you need to do is:

Step 1) Pay a £70 deposit to book your jump

Step 2) Raise at least £325* by 1 week before your jump (online fundraising pages like JustGiving are great for this!)

** In most instances is £325, please check when booking*

I WANT TO JUMP BUT NOT FOR CHARITY

If the charity of your choice is not listed on our website OR if you do not want to raise money for charity, that's more than fine. All you need to do is:

Step 1) Pay a £70 deposit to book your jump

Step 2) Pay your jump costs on the day of your jump - this varies from airfield to airfield between £190 and £280

**TANDEMS ARE
OUR MOST
POPULAR
SKYDIVES!
PERFECT FOR
BEGINNERS**

SO WHICH SKYDIVE IS FOR ME?

OPTION 1 - THE TANDEM

The tandem is the most popular of all skydives – perfect for the newbie adrenaline junkie, as you'll be strapped to a fully qualified instructor who does all the work, leaving you to enjoy the view! You can book to do a tandem on your own, or with a group of friends and our airfields are open all year round.

Feel the full force of flying through the clouds from over 10,000ft reaching speeds of up to 125mph! It's a truly unforgettable experience – though just in case, you can book a video to remember your jump by!

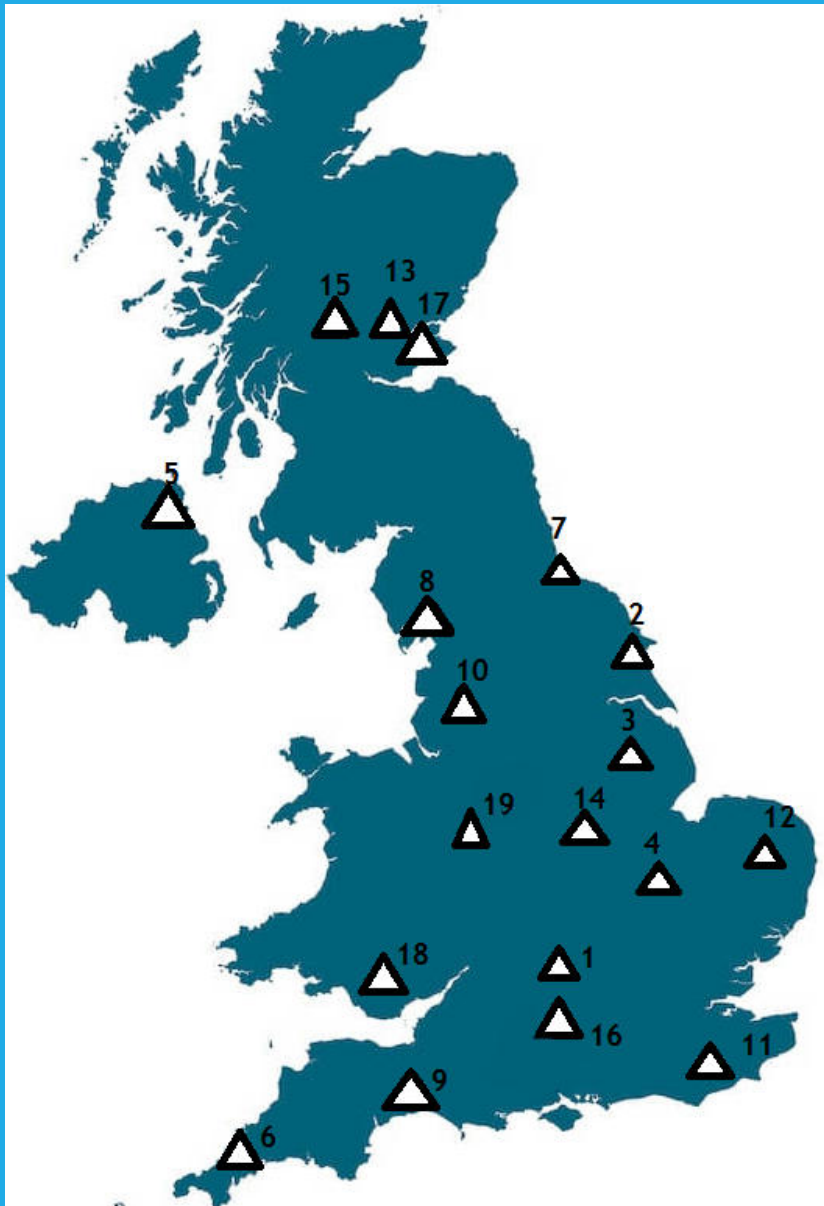

OPTION 2 - THE AFF

Your opportunity to complete a solo skydive! From 10,000ft you will exit the aircraft on your own – an exhilarating experience and a real achievement. Two fully qualified instructors will be with you every step of the way, but you will not be strapped to either of them and will be responsible for pulling your own parachute. This involves a separate day's extensive training.
